Kubantfwana

Hlonipha uyihlo nenyoko, kuze uphile sikhatsi lesidze eveni Simakadze Nkulunkulu wakho lakupha lona. Eksodusi 20:12 .
Ndvodzana yami, ungasedzeleli siyalo saSimakadze; futsi ungakhatsali ngekuyala kwakhe: Ngobe iNkhosi iyamyala loyo lamtsandzako; njengababe enta indvodzana yakhe layitsandzako. Taga 3:11-12 .
Letaga taSolomoni. Indvodzana lehlakaniphile ijabulisa uyise, kodvwa indvodzana lesilima iba lusizi kunina. Taga 10:10 .
Lalela uyihlo lowakutala, ungamedzeleli unyoko nakakhulile. Taga 23:22 .
Bantfwana, lalelani batali benu eNkhosini, ngobe loko kulungile. Hlonipha uyihlo nenyoko; Lowo ngumyalo wekucala lonesetsembiso; Kuze kukuhambele kahle, uphile sikhatsi lesidze emhlabeni. Efesu 6:1-3.
Hlonipha uyihlo ngayo yonkhe inhlitiyo yakho, ungakukhohlwa kuhlupheka kwanyoko. Khumbula kutsi watalwa ngibo; Ungababuyisela njani loko labakwentele kona?”
Siraki 7:27-28 .

Bantfwana, lalelani mine babe wenu, nente ngemuva kwaloko, kuze niphephe. Ngobe Simakadze unike babe ludvumo ngetulu kwebantfwana, wacinisekisa ligunya lamake ngetulu kwemadvodzana. Lowo lohlonipha uyise wenta inhlawulo yekuhlawulela tono takhe, kodvwa lohlonipha unina ufanana nemuntfu lobutsa umcebo. Lowo lohlonipha uyise uyawujabula ngebantfwabakhe; nakenta umthantazo wakhe, uyawuviwa. Lohlonipha uyise uyawuphila sikhatsi lesidze; futsi loyo lolalela Simakadze uyawuba yindvudvuto kunina. Umuntfu lowesaba Simakadze uyamhlonipha uyise, akhonte batali bakhe njengebaphatsi bakhe. Hlonipha uyihlo nenyoko ngemavi nangetento, kuze sibusiso sitakutfola lesivela kubo. Ngobe sibusiso seyise sicinisa emakhaya ebantfwana; kodvwa sicalekiso salina sisusa tisekelo. Ungatigabatisi ngekuhlonipha uyihlo; ngobe kuhlazeka uyihlo akusilo ludvumo kuwe. Ngobe ludvumo lwemuntfu luvela ekuhlonipheni uyise; futsi make longakahlonishwa ulihlazo kubantfwana. Ndvodzana yami, sita uyihlo asakhulile, ungamvisa buhlungu yingci asaphila. Nangabe kucondza kwakhe kwehluleka, mbeketelele; futsi ungamedzeleli nasewugcwele emandla akho. Ngobe lusito lwayihlo lungeke lukhohlwe, esikhundleni setono kuyawukwengetwa lusito kukwakha. Ngelilanga lekuhlupheka kwakho kuyawukhunjulwa; tono takho nato tiyawuncibilika, njengeqhwa ngesikhatsi lesihle lesifutfumele. Umuntfu loshiya uyise ufanana nemhlambalata; futsi loyo lotfukutselisa make wakhe ucalekisiwe: nguNkulunkulu. Siraki 3:1-16 .

Nangabe sitawuyala bantfwana betfu, batawukhala nyalo kodvwa batawujabula esikhatsini lesitako. Nangabe singabayali bantfwana betfu, batawujabula nyalo kodvwa batawukhala esikhatsini lesitako.

Bantfwana likusasa lelive letfu. Kepha nangabe batawuguga bangayalwa, likusasa lelive letfu litawuba yini?

Yonkhe imikhuba lemibi yemuntfu lomdzala nguleyo lengazange ilungiswe nobe iyalwe ngesikhatsi asesemncane. Kufanele sikhulise bantfwana labamesabako, labamtsandzako nalabamlalelako Nkulunkulu.

Ngatsatsa sicucu selibumba leliphilako.
Futsi ngebumnene wakha lilanga nelilanga.
Ngaphindze ngafika sekwendlule iminyaka.
Bekuyindvodza lebengiyibuka.
Yena solo kutsi impress ekucaleni wagqoka.
Futsi bengingaphindze ngimshintje.
